

**Noted Bay Street veteran joins boutique investment firm Enriched Investing Incorporated.**

**Toronto, Ontario, December 14, 2017** Margaret Samuel, CEO and president of Enriched Investing Incorporated is pleased to announce the appointment of David G. Chapman as the firm's Chief Strategist.

Mr. Chapman will report on global economic and related market events to help guide the firm's asset allocation strategies for both institutional and individual investors.

For more than 40 years David Chapman has held senior analyst positions in the financial services industry including Chief Economist and in sectors including foreign exchange, corporate finance and equity financing, global banking and central banking systems, technical analysis of North American equity, bond, derivative and gold markets. Mr. Chapman's weekly newsletter, the Technical Scoop, has generated a wide loyal international following for more than 21 years and will now be distributed by Enriched Investing™.

Mr. Chapman is a graduate Canadian Investment Manager (CIM), and a technical analyst.

**About Enriched Investing Incorporated**

Founded in 1989, Enriched Investing Incorporated is a well-respected discretionary portfolio management firm with offices in Toronto and Belleville Ontario. Owned and managed by industry veterans, their expertise centers around building low volatility portfolios designed to grow capital and provide a dependable, growing stream of income for small pension funds, endowment funds and high net worth individuals.
